

Residents Fill Tent at Revival

The Baptist Tent Revival began last Sunday with a full tent. Not only was the tent filled, extra chairs were placed outside the tent to care for the crowd. The tent is located on Crenshaw and 101 Highway.

The Preacher for the revival is Dr. O. Byron Richardson, from Texas. The Texas evangelist has been enthusiastically received by the large crowd in attendance.

The singer, Dr. Joe Trussell, has thrilled the audience with his direction of the con-

Guest Musicians Direct Revival

The Narbonne Avenue Baptist Church of Lomita will have Dr. and Mrs. Joe Trussell as guest musicians in the 8:30 service Sunday morning. The Trussells are directing the music in the Baptist Tent Revival, now in progress. They have been working in congregational singing and the large choir. He inspired the group as he sang "The Stranger of Galilee."

Trussell has been asked to sing "Grace," a song which he has made famous.

At the 10:50 service, the Rev. Robert A. Wells will bring the message. This will also be High Attendance Day in Sunday School. Attendance on last Sunday was near normal for the spring months.

'You Are There' Shown at Camino

You are there! It's better than using a crystal ball, because facts come alive before your eyes.

History students at El Camino College see such historical events as the signing of the Declaration of Independence, the American Revolution, and the War of 1812, through the magic of celluloid.

Students of History I view films outside of the classroom. These movies supplement class lectures and textbook information.

"The Social Science Division feels these films are of outstanding value to the students in drawing a concept of past events and movements in history," John A. de la Haya, assistant director of instruction, remarked.

RECENT DATE

All of the films are of recent date. They are rented from the film libraries of the Los Angeles Office of Superintendent of Schools, UCLA, USC, department of Public Relations from the United Nations, University of Illinois provides the "You Are There" television program films and the Coronet films. Movies are also rented from private rental agencies. El Camino College furnishes films from its film library.

SELECTION Selection of the films shown is based on accuracy, instructional value, effectiveness and photography. History instructors view and evaluate movies before they are shown to students.
